

## JOE GIBBS: AN ENDURING LEGACY

Joe Gibbs: An Enduring Legacy is a true collector's item. It's an 11-inch by 14-inch full color coffee-table book about Joe Gibbs, who coached the Redskins to elite status and three Super Bowl wins in the 80s and early 90s and is a member of the Pro Football Hall of Fame. The book focuses on the four pillars of Gibbs' life: Redskins and football; his NASCAR team, Joe Gibbs Racing; his foundation, Youth For Tomorrow; and his devotion to faith and family. The book features more than 300 photos, including some that have never been published before. I felt honored to serve as an author and the editor of this book, which was published by Youth For Tomorrow. Part of the proceeds go toward Youth For Tomorrow, which is a wonderful organization that for three decades has served boys and girls who have been abandoned or abused by family, are homeless, are expelled from public schools, or are in need of therapeutic aid to address their mental health issues.
